We would like to welcome you to the World Congress of Diabetes organised by Diabetes in Asia Study Group (DASG) along with DiabetesIndia being organised from 13th – 16th February, 2025 at Forum Convention & Celebration Centre, Ahmedabad (Gujarat, India).

A very thought-out scientific program has been planned to keep in line with new areas of discussion in Basic Research, Pathophysiology, Therapeutics, Glucose Monitoring, Complications, Technology and many more topics of interest to suit the entire spectrum of attendees. We have invited 50+ Global Leaders & 150+ National Leaders in the field of Diabetology to be part of this prestigious conference who will be part of the eminent faculty group. We are expecting 3000+ delegates to attend this conference.

We are also having a program of DASG School starting from Thursday afternoon and a unique Special Interest Group Symposiums have been planned on Thursday.

Friends, the entire organising committee welcomes everyone and looks forward to a great meeting. The meeting will give ample opportunities to discuss science, meet friends and colleagues from various parts of the country and facilitate networking for collaborations.
